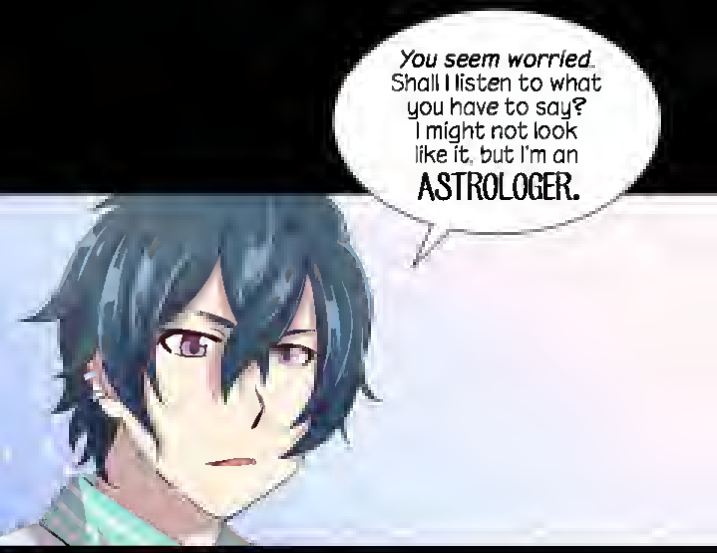
Here—
Have a drink.

Why did you fall back there?

Uh... that...
My lost painting...



You seem worried.
Shall I listen to what you have to say?
I might not look like it, but I'm an
ASTROLOGER.

Astrologer?

You can just think of him as a fortune teller

09 - THE FISH HEALS

CREAK
Is that so--

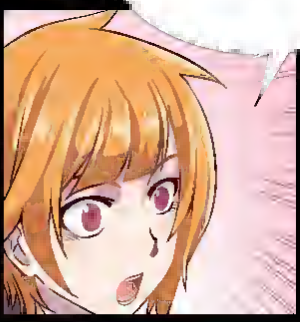
You lost a painting that you didn't want to show anyone...
CREAK
Is that it?

Great! You're Ecliptic's *first customer*, so I'll look at your horary horoscope FOR FREE.
FREE?!
We opened today, but we haven't had any customers yet.
First customer?
Haha...

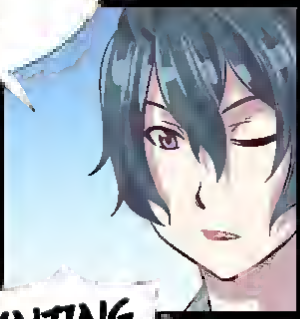
But...
What's horary horoscope?
All ostrology begins from life. If *notol horoscope* begins with the breothe of *o* person. *horory horoscope* begins with A QUESTION.

To put it plainly.
HORARY ASTROLOGY
is a type of Astrology
that finds the answer to
a client's question.

You can find the answer to ANY QUESTION?!!



Of course. Any question as long as it is authentic.

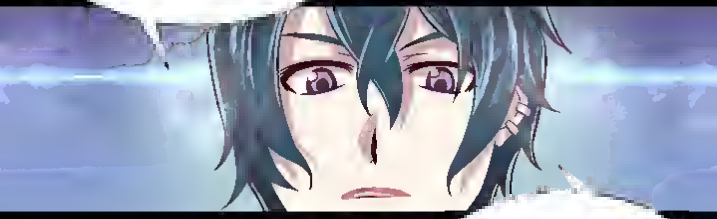


MY PAINTING... PLEASE FIND MY PAINTING!

Is that your question?

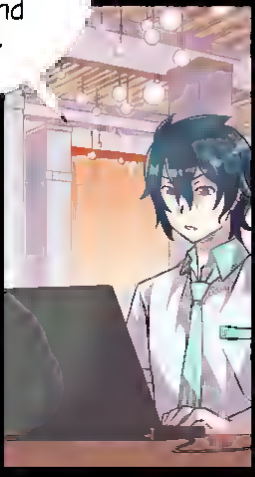
YES!
PLEASE TELL ME WHERE MY PAINTING IS!!!
WHO
SHH

Right now, this time, this place... a question from you, *the client*, came to me, *the astrologist*.

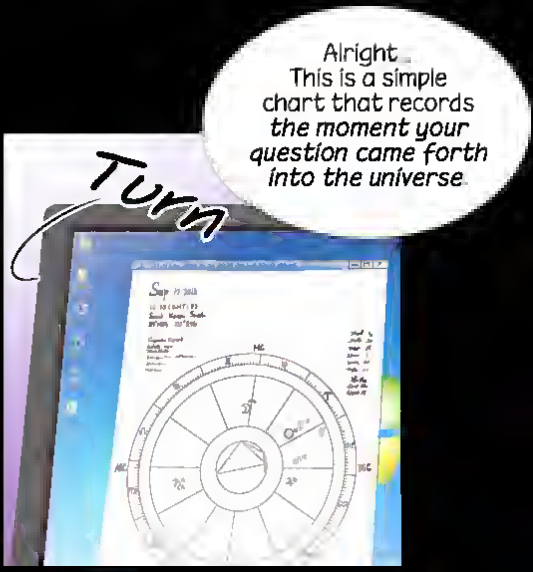


Your question has come into *THE UNIVERSE*.

Ok... Now, when I enter the time and location...



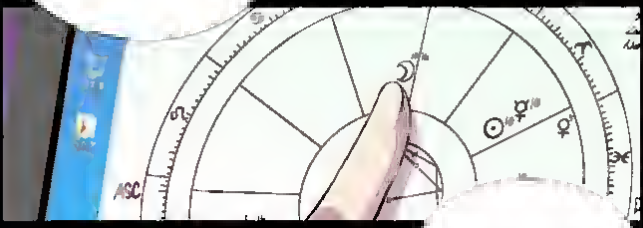
Even if you can't find the star position when you look at the sky, the computer can do it for you~



Alright.
This is a simple chart that records *the moment your question came forth into the universe.*
Turn

Can I really learn something from looking at this? It seems like some weird code...

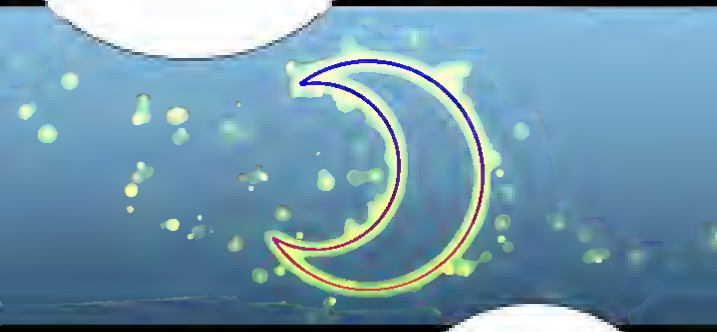
However, doesn't this seem like a familiar symbol?



It looks like a moon.

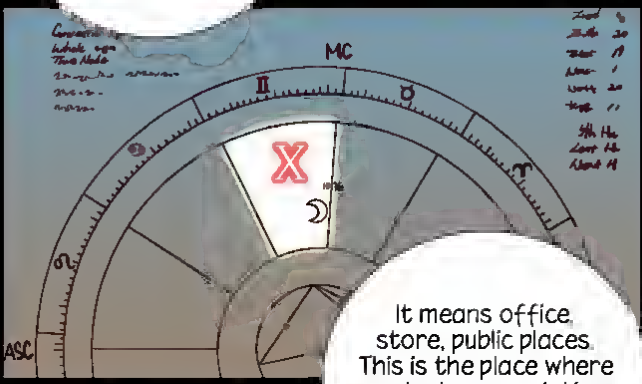
Oh, very good!

In astrology, the Moon has many meanings. One of the meanings is...



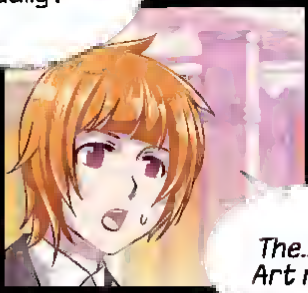
SOMETHING THAT YOU LOST.

Right now, on the chart the Moon is placed in the *10th house*.



It means office, store, public places. This is the place where you lost your painting. In other words, it could be at your school.

Where was the painting usually?

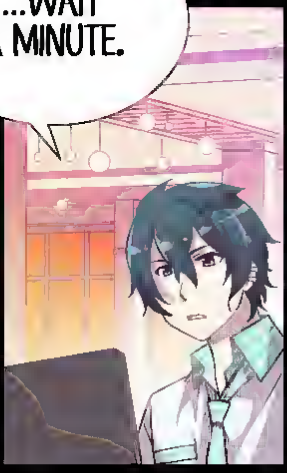


The... the Art room.

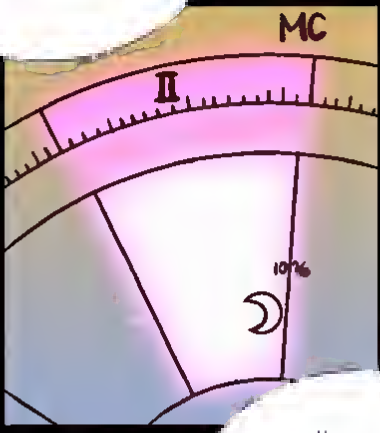
An ort room...
Right now the Moon lies ot the stort of the 10th house.
It shows a window, door or a passage.

Maybe it's o hallway near the art room.

...WAIT A MINUTE.



One house completely trapped inside a constellation!

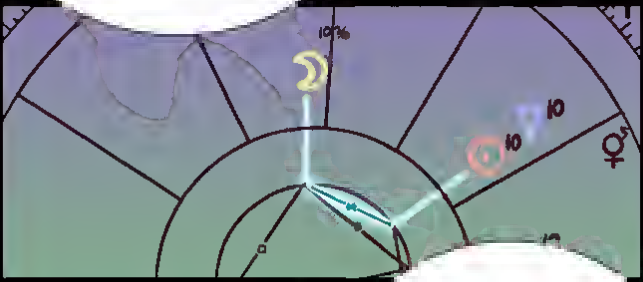


It means there's a space that is nat apen. A space clased fram a hallway...

Underneath the hallway windaw there's a starage space. Perhaps you could be talking about that?

Hmm... It's passible

And right now, the Moon and Sun are receiving a strong influence from Mercury.



The Sun and Mercury... Maybe it's in a place that is being influenced by fire and water.

What would that be...?

Ok... that's it. If you go, maybe you will find the true meaning.

Astrology IS NOT all powerful. It's a farce that gives you a helping hand. Everything's determined by your actions. Now, go look for it!

YES... YES!

But can I really find it?
Let's go together.

You...
That idiot is probably speaking nonsense

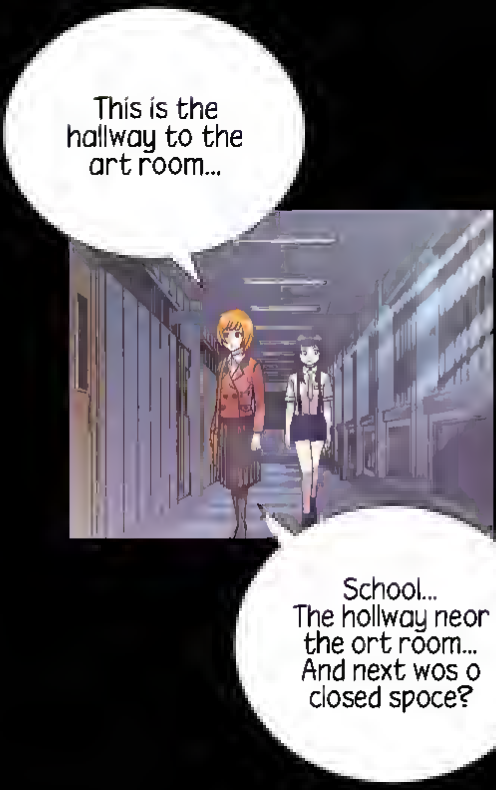
Your brother's predictions don't come true?

I'm not sure either. This is *the first time* I've seen him predict something.

Haha...

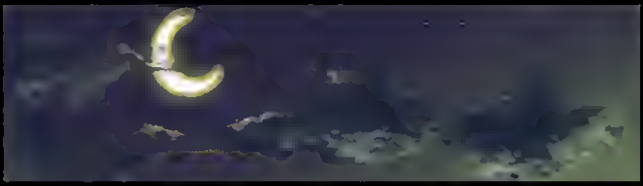
Oh yeah- and I didn't give you the check for the coffee you drank earlier.

Song Woo said that the horoscope reading was free, but I didn't say the drink was free.



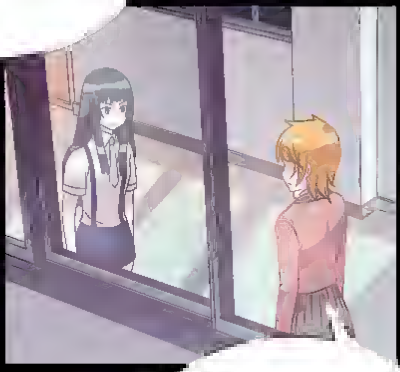
This is the hallway to the art room...
School... The hollway neor the ort room... And next wos o closed spoce?

I think this is where he was talking about...
Oh...
Wait a minute... Then, do we have to look in each of these *individually*?



SHUT
THERE'S NOTHING HERE EITHER!

Dana, did you find anything?



No... I think we looked through all of them...

Ah... *Is this guy A SCAMMER?!*

What else did Mr. Astrologer say... *Sun and Mercury...*

Water and fire...

FIRE EXTINGUINSHER

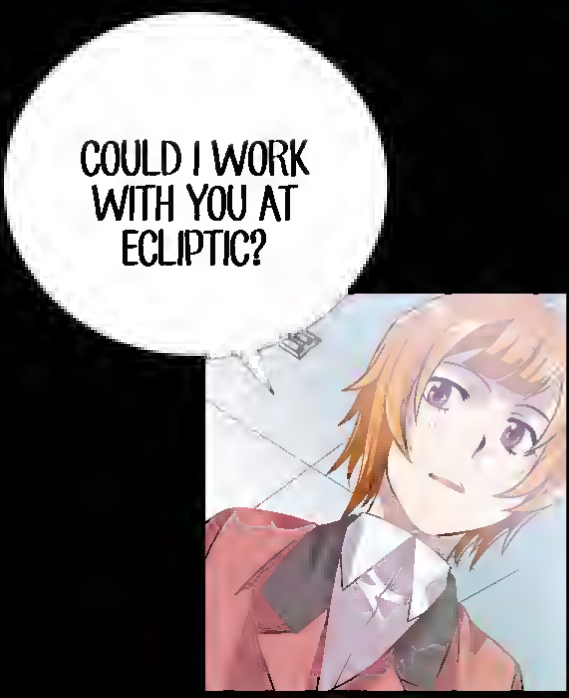
!!

WE... WE FOUND IT!!!

It's a little grotesque...
Hoho... I told you, it's a picture I don't like showing.

Even sa Dana, I think I knaw why yau treasure this painting
Just glancing at it, it laaks like a glaamy picture, but laaking inside, I feel there's a lot of love put into it...
Re... REALLY?
I think even thaugh my idiat brather remadeled the café, the warmth and lave af the gaad ald days will make Ecliptic a success.

Earlier,
I think I saw
that you were
looking for a
part-timer...



COULD I WORK
WITH YOU AT
ECLIPTIC?

Re...
REALLY?
Actually,
because of my brother
I wasn't looking for
a part-timer...

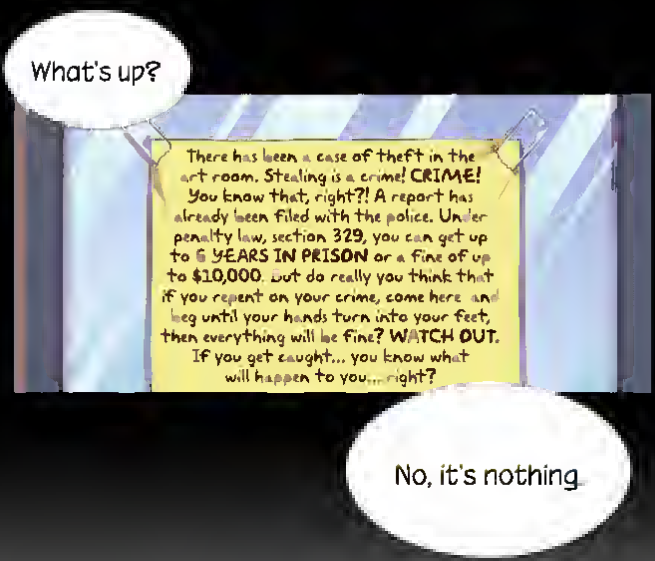
Dana, you're our *first customer* and *first employee*.

Oh really. Please take care of me in the future, **MANAGER.**

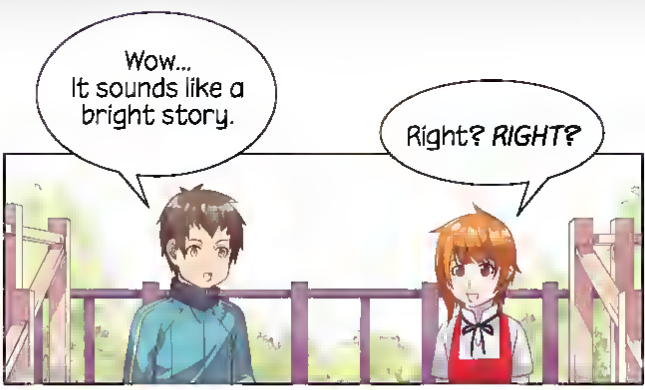
Those are exactly my words. *Take care of me*, Dana.

Ok then, shall we leave?

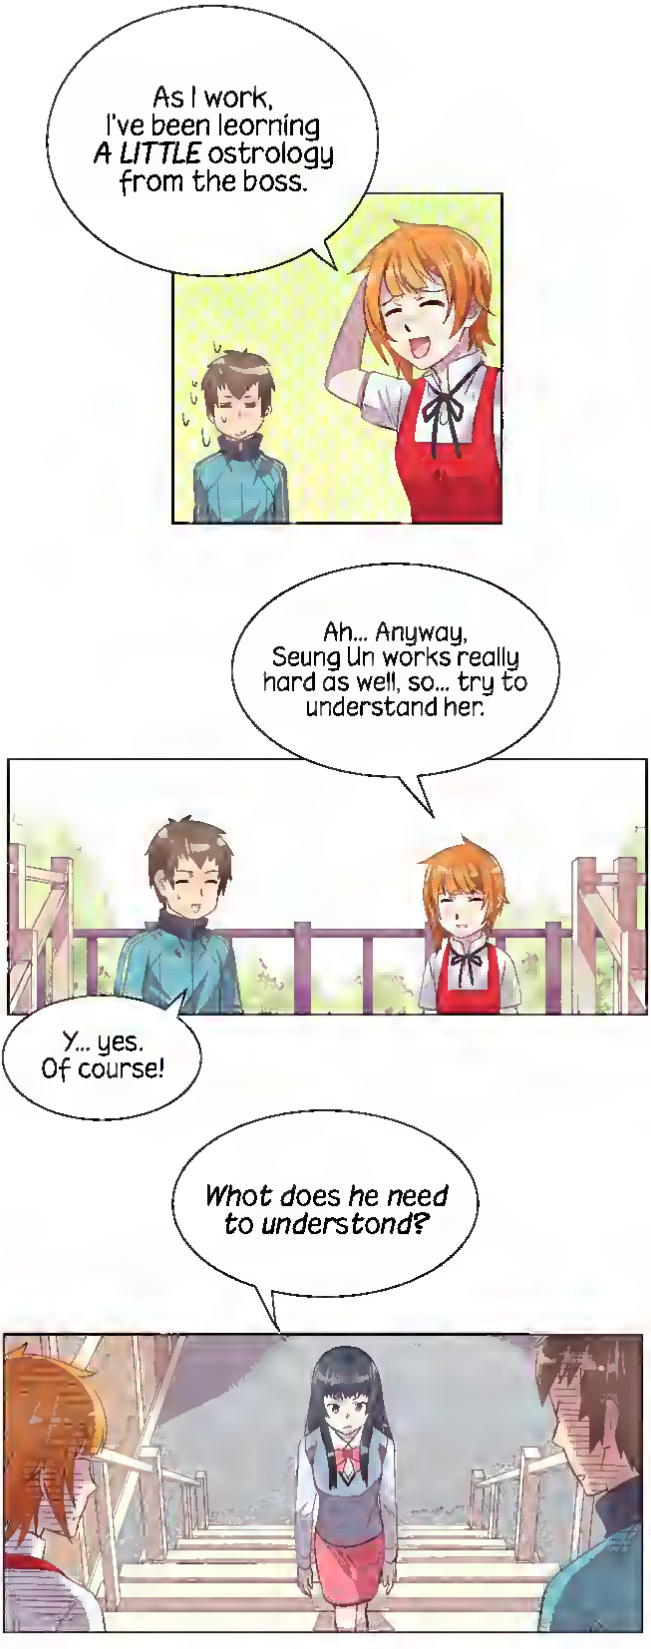
Give me a minute.



What's up?
There has been a case of theft in the art room. Stealing is a crime! CRIME! You know that, right?! A report has already been filed with the police. Under penalty law, section 329, you can get up to 6 YEARS IN PRISON or a fine of up to $10,000. But do really you think that if you repent on your crime, come here and beg until your hands turn into your feet, then everything will be fine? WATCH OUT. If you get caught... you know what will happen to you... right?
No, it's nothing.



Ah, no.. Why are talking it like that..



As I work, I've been learning A LITTLE astrology from the boss.
Ah... Anyway, Seung Un works really hard as well, so... try to understand her.
Y... yes. Of course!
What does he need to understand?

W-WITCH!
WHO'S A WITCH?!!
Uh... By the way, about... yesterday...
Cough Cough
I think that I made a mistake.
I'M SORRY.
N... no...

If you feel like it, come work with us again, at Ecliptic.
Thank you... I will try my best, again.

Move.
HURRY UP AND GO CHANGE INTO YOUR UNIFORM.

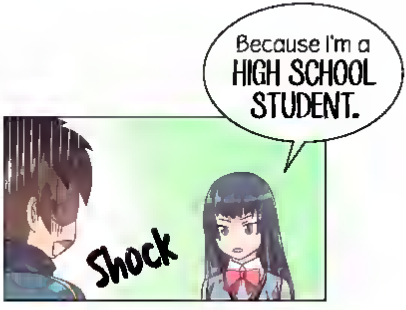
Y... YES!

Since you've got another chance to work, start to be more efficient. FASTER!

I will always do my best so I will move quickly and efficiently...

...

But why did you come in o school uniform, Monoger?



Because I'm a HIGH SCHOOL STUDENT.
